

In which scales and gauges are you interested in?

.....  
Have you a layout?    Yes     No

Which railway prototypes are you particularly interested in?  
.....

### Data Protection

In accordance with latest General Data Protection Regulations (GDPR) the information you provide will be used only for the purpose of running the Manchester Model Railway Society and its activities. You will only receive communications from us that are relevant to your membership, the Society's activities, or other events that we believe might be of interest to you. We will not release your personal details to a third party without first obtaining your permission except that we reserve the right to release your details to the emergency services, our insurers or venue owner in the event of an accident, or if we are required to do so by law.

You may withdraw your consent to receive communications at any time, but doing so will prevent us telling you about the activities of the Society.

For the purpose of GDPR, the Manchester Model Railway Society is both the data controller and data processor, and can be contacted via the [Contact us](#) page of our website, or by post at Dean Hall, Mersey Road, Sale M33 6HL.

I agree to receive information from the Manchester Model Railway Society relevant to its activities and my membership of the Society, and other events that you believe may interest me.

All communications from the Society will be by email unless you tick this box to request that post is used instead.

## Layouts and Hall Facilities

Thank you for your interest in our Society. This leaflet, we hope, will answer your initial questions, and encourage you to come and visit our headquarters, Dean Hall. Apart from Bank Holidays Dean Hall is open from 2.00 pm to 4.00 pm and 7.30 pm to 10.30 pm on Mondays and Wednesdays.

In addition to our openings during the week, the Society has a more formal 'Monthly Meeting', which is held on the second Friday of the month at 7.30pm. In case of last minute changes details can be found in the 'Link' the Society journal and also on the mmrs.co.uk website. We have a programme of talks, demonstrations of modelling techniques and film shows geared to the interests of railway modellers.

Layout construction is very much an ongoing activity at Dean Hall. We have groups modelling in 2mm N Gauge, Hazelwood Junction - in 4mm (18.83 gauge) Slattocks Junction - in 4mm OO Dewsbury Midland, and in 7mm O gauge the Mersey Division.

We have a 3.5mm scale HO gauge American layout, Greenbrier Junction, which is 18' x 4' This will interest people wishing to develop stock from the major manufacturers. DC and DCC operation. An ongoing project.

Barton Road, described as a modular layout in 4mm OO. This layout is adapted to cover the period early BR to the present day. This layout is to have its first showing at our 2018 show

Our library is one of the most comprehensive collections of railway material in the country, and is available for reference and borrowing. We also have a collection of DVD's, as well as magazines, plans and photographs.

Dean Hall accommodates a well equipped machine shop. Regular classes in the use of the machines are run by members of the Society

The society also organises a 'Running Session' usually in August and a Social afternoon for the March Meeting. Our next Exhibition is to be held at the Barnes Wallis Building in Manchester on 1st & 2nd December 2018

All these activities are publicised in the Society's monthly 'in-house' journal 'The Link' and on our website. The magazine also carries articles of general interest to the model railway enthusiast, notices of other specialist societies' meetings, some of which are held at Dean Hall, and is considered in the hobby to be a leading example of its type.

To complete our facilities, we have a fully fitted kitchen for tea, coffee and light refreshments. For the comfort of members the building is centrally heated.

## Applying for Membership

To apply for membership please complete the required details below and on the back page together with a cheque for the appropriate amount then forward to the Membership Secretary or to any Committee Member at Dean Hall

You are most welcome to call in and meet us at Dean Hall any time we are open. Please make yourself known on arrival and we will be only too pleased to show you around.
