Membership Application Form

From November 2026

Thank you for your interest joining in our Society. We hope you enjoy your membership, where you can socialise, partcipate, and expand your modelling skills. Our Society has a huge range of interests and skills from the beginner and “interested” to very experienced modellers. Get involved with one or more of our layout groups. We have six layouts in a variety of gauges – 0, 00, P4 and N including a modular “starter” layout in 00 gauge.

In additon to the layouts in Dean Hall we have a well-stocked library with all the latest magazines, a meeting space, a workshop, a kitchen and two toilets. We are normally open on four weekdays and hold monthly meetings or running sessions, usually on the second Friday of the month at 7.30pm. We also run regular skills improvement workshops and an exhibition in the city centre each December. All activities are publicised in the Society Journal ‘The Link’, and on the society website https://mmrs.co.uk
